## SRMPA Treasurer's Annual Report for 2017

Each year, the Sam Rodius Memorial Parkway Association (SRMPA) treasurer compiles a fiscal report. The report covers membership dues, donation & event profits, rental fees, Amazon Smile and GoFundMe donations, and grants if applicable. The report also outlines our total membership and expenses to manage and maintain the Hall for the community.

- Total income for 2017 for all categories was \$10,020.11
- Total expenses for 2017 for all categories was \$4,484.52.
- Membership for 2017 totaled 71 families (out of more than 300 Gulch residence).

Membership dues are allocated to our General Fund to pay for electrical, Hall supply & repair, tax payments, propane for heat, event expenses, insurance for the Hall and snow plowing.

Donations and event profits are earmarked to a separate account for our Building Fund. This fund is a savings account that all donations and fund-raising profits are deposited into. The goal of this fund is to insulate and re-side the Hall to preserve it for future generations. Your board has been working on this fundraising account for two years and our current total is \$5,075.10.

This year's membership drive is getting off to a slow but steady start. THANK you to everyone who has sent in their membership dues and extra donations. We appreciate your generous spirit and could not function without out your support. THANK YOU!!
